Applications approved in 2016:

Since its inception the Trust has supported a wide range of initiatives and services from across the area of the Llanfihangel ar Arth electoral division. The fund has financed the following requests for support during the 2016 calendar year:

Llanfihangel ar Arth Community Council Playing Area:

The fund contributed £50,000 to Llanfihangel ar Arth Community Council to fund the costs of a installing a play area in the park.

Thanks to the financial support received by Statkraft, Pencader now has a new and modern play area. The design and equipment was supplied by Playdale in consultation with members of Llanfihangel ar Arth Community Council. There is sufficient space between the resources to enable disabled access. As a result the play area is well used with younger children following their Cylch Meithrin session. Older children up to the age of 14 regularly make use of the play area at the end of the school day and during weekends.

Tabernacl Chapel Vestry Pencader:

A grant of £21,201 was awarded to undertake renovations at Tabernacl Vestry Pencader.

The kitchen area and the vestry have been transformed which has resulted in increased use. The grant received by the Statkraft Alltwalis Wind Farm Community Benefit Fund is greatly appreciated and thank you for making the renovations possible.

Llanfihangel ar Arth Eisteddfod:

An application to support the costs of prizes for the Eisteddfod was supported to the value of £600.

Thanks to the financial support of the Statkrat Alltwalis Wind Farm Community Benefit Fund, the Eisteddfod is able to award substantial prizes and as a result draw more competitors. One of the aims of future years is to draw more choirs. Being able to offer good prizes may attract more choirs.

Sioned Mair Bowen of Llanfihangel-ar-arth won the Young Persons Award for composing two contrasting pieces of literature.

Cylch Meithrin Pencader:

A sum of £5,000 was awarded to the running costs of the Cylch Meithrin Pencader. Receiving the grant has enabled us to maintain the high standards of the Cylch. The children have been busy learning about the windmills at Alltwalis and have created some of their own. We must give thanks on behalf of the staff and the children that have benefitted from the learning opportunities.

Cylch Meithrin Llanllwni

During the past year the Cylch has benefited by receiving support from the Statkraft Fund £ 5,000 towards the running costs . 'Receiving the support has made a big difference to us and we are extremely grateful to you for your contribution. The numbers of children attending the Cylch remain high. The Committee are extremely happy that the Cylch is successful and acknowledge that your contribution is making a difference.

Skanda Vale Craigfryn Alltwalis:

A sum of £9,208 was awarded towards the costs of renovating Craig Fryn for the purpose of accommodating volunteers of Skanda Vale hospice.

In February 2016 we were thrilled to be awarded just over £9,200 grant from Statkraft Alltwallis Community benefit fund.

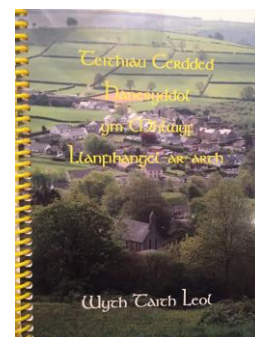

We were coming to the end of a major building project to develop a 6 bed hospice for our local Community in Saron near Llandysul. Whilst the building work was in progress we refurbished our cottage at Craig Fryn, Alltwallis, part of Skanda Vale site to provide temporary hospice day centre facilities. In April we were opening our new hospice so all of the furniture and equipment we had at Craig Fryn was to be moved from there to the new hospice leaving the building completely unfurnished.

Our hospice is unique in that we are volunteer led, including using clinical volunteers to fully support our small team of employed palliative care nurses. Skanda Vale trustees very much wished to encourage more people to volunteer at the hospice so we planned to transform Craig Fryn from the temporary hospice to volunteer accommodation. The funds we received from Statkraft enabled this to take place meaning we could completely equip and furnish the building providing three bedrooms, a bathroom, kitchen and dining facilities, as well as do minor building works to enable 3 volunteers at a time to have comfortable accommodation, only 10 minutes' drive from the hospice, in a beautiful rural setting, ideal to refresh and rest after a busy shift in the hospice. Since we opened last April the Craig Fryn has been used by different volunteers every monthly respite session. From this September we hope to double our monthly respite sessions helping more families cope with the pressures of living with a life limiting illness.

Clwb Hanes Llanfihangel ar Arth History Club

The fund provided a grant of £1,690 to support the costs of publishing a booklet of eight local walks titled

'Historical Walks in Llanfihangel ar Arth Parish'. The booklet has proved popular with 360 copies distributed and we are continuing to receive enquiries for the booklet. Therefore, we are very grateful to the fund for their support'.

Clwb Hwyl Llanllwni after school club:

The after school club received a grant of £2,000.

The Club has been able to offer a range of various activities for the children. The grant has enabled us to offer the various workshops offered by Clybiau Plant Cymru Kids Clubs such as den building and water play.

Cae Chwarae Llanfihangel ar Arth Play Equipment:

The fund awarded a grant of £11,076 towards the costs of purchasing play resources for the Cae Chwarae Llanfihangel ar Arth playing field.

As a committee we are grateful to the Trustees of the Statkraft Fund for supporting the application to purchase play equipment for the park. The new equipment is used regularly by the children within our community. It is a safe space to play and children from the surrounding villages also use the play area. We are grateful to the support by all. This year was the first for us to organize the football tournament with the play equipment installed and it was wonderful to see the children playing on the equipment in between playing football. Thank you once again for the grant that has enabled us to achieve our aim of having a play area of a high standard.

Hen Gapel Pencader

The Hen Gapel which is listed building received a grant of £6,450.

The work of repairing the windows has been completed as stipulated by Carmarthen County Council. The ground floor is used by the Plant Dewi Family Centre on a daily basis and it gives peace of mind that the windows are now safe. The Hen Gapel committee wish to thank the Statkraft Alltwalis Wind Farm community Benefit Fund for your support to enable us to undertake the essential repair work.

Llandysul Paddlers: The Blue Shed has now been demolished and the first phase of creating a conference and changing facility has been complete. The Llandysul Paddlers committee are completing the Centre in stages and the fund has supported the first phase to the value of £20,000. **The Llandysul Paddlers Committee wish to thank the Fund Trustees for all their support during the stages of this development.**

Ysgol Eglwys Llanllwni:

Ysgol Eglwys Llanllwni was awarded a grant of £3049 towards the costs of purchasing an interactive board and art and craft material "Thank you for your support once again this year. The school has benefitted tremendously during the last few years. This year we have asked for your support to purchase art and craft materials and IT equipment. These resources have helped the school prepare for the new curriculum. The IT resources have helped the children develop digital skills. Due to the financial constraints on the school it would not be possible to purchase these resources without the support of the fund. Therefore we are extremely grateful to the fund for your support.

Ysgol Cae'r Felin:

A grant of £14,187 was awarded to Ysgol Cae'r Felin to purchase 3 interactive boards 12 AppleMac and ComicLife Software.

The grants received by Statkraft are extremely valuable to us particularly for the children to develop their Information Technology skills for the future. Due to the support of the fund we as a school have been able to be at the forefront with information technology resources as we have been able to equip the school with information technology resources for each class room in turn. This year we needed to purchase lap tops and develop our digital skills using comic life software to create comics and posters. In addition pupils can access information technology by using the c touch interactive boards. We are extremely grateful to the fund for considering the applications during a time of financial restraint for us. Therefore, the grants received by the fund enable the pupils to develop and enhance their digital skills.
